Caliper Corporation ("Caliper") provides its proprietary products to its customers on the terms and conditions set forth herein. PLEASE REVIEW THE FOLLOWING AGREEMENT BEFORE ORDERING PRODUCTS FROM CALIPER. By ordering or using a Product, the Licensee identified on the order form for the Product ("Licensee") indicates its acceptance of the terms of this Agreement.

Licensee and Caliper agree as follows:

1. Definitions. As used in this Agreement:
   A. "Software" means the MAPI TUME software, in executable code form, as delivered to Licensee, and all updates, replacements, and additions to the Software, including enhancements, companion products, and other software products developed by Caliper and other companies, and additional modules that Caliper may provide to Licensee from time to time.
   B. "Copy Protection Measure" means a technological measure utilized for copy protection, which may include software, hardware, or a combination of both, used by Caliper to control on the Product that the Product has been installed and which has been registered with Caliper according to Caliper's standard registration protocol.
   C. "Data" means any data, maps, images, video, audio, animations, or graphics provided by Caliper for the Software.
   D. "Designated Computer" means any computer owned or controlled by Licensee to which the Product can be installed and used.

2. Grant of License. Subject to all of the terms and conditions of this Agreement, Caliper hereby grants to Licensee:
   A. A non-exclusive, non-transferable right to use the Product during the term of this Agreement on the number of Designated Computers set forth on the order form for the Product;
   B. A non-exclusive, non-transferable, royalty-free right to reproduce and distribute Licensee's own product documentation that is furnished with the Software, and use and export the Software in accordance with the instructions contained therein and in the accompanying computer software documentation; and the Caliper Script Language and sample code described therein provided that Licensee (i) copies and distributes a valid copy of the Software; completes its terms, (ii) distributes its application only to those who are lawfully licensed to use the Software, (iii) does not use Caliper's name, logos or trademarks to market its software applications, (iv) indemnifies and holds Caliper harmless from all claims arising out of this Agreement, or (v) does not use in competition with the Product;
   C. Without limitation, Licensee will not, and will not permit others to: (i) distribute, use or sell copies of the Software; (ii) permit or consent to the modification, merging or including any part of the Product with the Software, or (iii) bring any action or claim, regardless of form, arising out of this Agreement to the Software.
   D. "Documented Computer Software" means any software provided by Caliper to describe the operation of the Software.
   E. "Product" means the Software and related Data, Documentation, and any Copy Protection Measure.

   A. If this is a license granted to an educational institution or a student enrolled in an educational institution (an "Academic License"), Licensee's right to use the Product is limited to noncommercial use, teaching and research, and unencumbered by any interest that would entitle Licensee to sell the Product.
   B. This Agreement does not grant Licensee any rights in connection with any trademarks or service marks of Caliper.
   C. Without limitation, Licensee will not, and will not permit others to: (i) distribute, use or provide access to or of (including by time-sharing or network use) the Product by or for third parties; (ii) create any derivative work out of the Product without Caliper's prior written consent, provided, however, that Licensee may provide access to the Product to employees of Licensee (and in the case of Academic Licenses, enrolled students) to the extent necessary to utilize the Product in conformity with this Agreement; (iii) use the Product in a computer service bureau; (iv) make telecommunications data transmissions of the Product; or (v) use the Product over the Internet without a license for such use or an Internet-bound gateway on any central processing system for which the Product was not licensed.
   D. Licensee will not use the Product to aid in the development of software or products that are competitive with the Product, or use the Product to create data in Caliper's CDF data format that is competitive with or tends to hinder or pervert the use of the Product.
   E. Licensee will not attempt or permit others to attempt: (i) to reverse engineer, decompile, disassemble, or otherwise reduce the Product or the corresponding companion computer software to human readable form; (ii) to modify or adapt the Product in any way; (iii) to alter or modify the Product in any way; (iv) to alter or modify the structure or function of the Product; (v) to alter or modify the structure or function of the Product; or (vi) to circumvent any Copy Protection Measure.
   F. Caliper may, at its discretion, rescind Licensee's use of the Product from time to time to verify Licensee's compliance with its obligations under this Agreement.

4. License Fee. In consideration of the license granted to Licensee under Section 2, Licensee agrees to pay Caliper the license fee for the Product as set forth in the order form for the Product. Licensee acknowledges and agrees that the Product contains confidential and proprietary information of Caliper. Licensee agrees to keep the Product and any copies of the Product secret and confidential and to use the Product only with the Product in its possession.

5. Proprietary Rights.
   A. Licensee acknowledges and agrees that the Product contains confidential and proprietary information of Caliper. Licensee agrees to keep the Product in its possession, for its own use, and to use the Product only with the consent of Caliper and in accordance with the terms of this Agreement. Licensee acknowledges that the Product is a technological measure utilized for copy protection, including software, hardware, or a combination of both, used by Caliper to control the use of the Data.
   B. Licensee agrees that the Data may be used only with the Software. Licensee acknowledges that the Software is a proprietary product and that the use of the Software is subject to the terms of this Agreement. Licensee agrees to use the Data only in conjunction with the Software and that the Data is provided only for use in conjunction with the Software.

6. Warranties. Licensee acknowledges that there are errors and gaps in the Data and that Caliper does not warrant that the Data will be error-free or that the Data will be suitable for any particular purpose or use. Licensee acknowledges that the operation of the Software may be impaired or rendered inaccessible by factors outside of Caliper's control, including but not limited to, natural phenomena, equipment failure, damage to equipment, and any other factor beyond Caliper's control. Caliper warrants that the Software will function for a period of sixty (60) days from date of delivery substantially in accordance with the Documentation. Except for the warranty of merchantability, Caliper disclaims all other warranties and conditions with respect to the Product unless a support agreement is in effect. CALIPER DISCLAIMS ANY AND ALL OTHER WARRANTIES AS TO THE PRODUCT, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. LICENSEE ACKNOWLEDGES THAT THE DATA WILL BE ACCURATE AND TO THE EXTENT OF ITS KNOWLEDGE, CALIPER REPRESENTS THAT THE PRODUCT MAY NOT MEET LICENSEE'S REQUIREMENTS. CALIPER WARRANTS THAT THE SOFTWARE WILL FUNCTION FOR A PERIOD OF SIXTY (60) DAYS FROM DATE OF DELIVERY SUBSTANTIALLY IN ACCORDANCE WITH THE DOCUMENTATION. EXCEPT FOR THE WARRANTY OF MERCHANTABILITY, CALIPER DISCLAIMS ANY OTHER WARRANTIES AND CONDITIONS WITH RESPECT TO THE PRODUCT UNLESS A SUPPORT AGREEMENT IS IN EFFECT. LICENSEE DISCLAIMS ANY AND ALL OTHER WARRANTIES AS TO THE PRODUCT, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

7. Limitation of Liability. The liability of Caliper to Licensee, regardless of the form of action or theory of liability, whether under contract or tort (including negligence), and whether under this Agreement, in connection with the Product, in connection with the Data, or in connection with the use of the Product, shall be limited to the purchase price paid to Caliper for the Product, and in no event shall Caliper be liable for any special, indirect, incidental, exemplary, or consequential damages, including but not limited to lost profits, diminished value, or other similar damages, whether in an action brought by Licensee or by any other party, and whether brought in arbitration, court, or administrative proceedings. If any provision of this Agreement is held to be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired.

8. Exclusive Remedies. Licensee's sole and exclusive remedy against Caliper arising out of this Agreement will be limited to the following, at the option of Caliper: (a) replacement of the Software with Software that functions substantially in accordance with the Documentation; (b) repair by Caliper of the Software, by patch or workaround, so that it functions substantially in accordance with the Documentation; or (c) refund by Caliper of the funds received by it for the Software.

9. Term and Termination.
   A. This Agreement will take effect upon the date of the acceptance of the order by Caliper and, unless sooner terminated or renewed, will continue in effect for a period of ten (10) years from such date.
   B. Notwithstanding the provisions of this Section 9, this Agreement may be terminated at any time by Licensee, with notice, so long as it has been in good standing under all terms of this Agreement.

10. Export Regulations.
   A. Licensee agrees to comply with all regulations of the U.S. Department of Commerce and agrees not to export the Product in violation of such Regulations or any other U.S. laws or regulations. Licensee agrees to defend, indemnify, and hold harmless Caliper from any and all claims, including attorney's fees, that arise or result from the use of distribution of Licensee's software application.
   B. Licensee agrees to return the Software and to destroy any other copies of any portion of the Software in its possession.
   C. Licensee will have no further right to possess or use the Product.
   D. The expiration or termination of this Agreement will not affect provisions of this Agreement which will continue in full force and effect.

11. Miscellaneous.
   A. This Agreement sets forth the entire understanding and agreement between Caliper and Licensee with respect to the matter hereof and supersedes all prior understandings, representations, negotiations, and agreements, written or oral, including any purchase orders submitted by Licensee to Caliper in the past.
   B. This Agreement will be governed by the laws of The Commonwealth of Massachusetts, United States of America, and may be modified only by written agreement of Caliper and Licensee. By signing this Agreement, Licensee agrees to submit to the jurisdiction of the state and federal courts of The Commonwealth of Massachusetts.
   C. This Agreement may be modified only by a written agreement which is made subsequent to this Agreement and signed by duly authorized representatives of Caliper and Licensee.
   D. If any of the provisions of this Agreement will be held by a court of competent jurisdiction to be invalid, illegal, or unenforceable, such provisions will be modified in good faith to the extent necessary to make the Agreement valid, legal, and enforceable.

12. U.S. GOVERNMENT END USERS.
   The Product is "commercial computer software" or "commercial computer software documentation" as those terms are defined in 48 CFR 12.212 and 48 CFR 12.214, as applicable.

13. MRSID Functionality.
   Portions of the Software incorporating MRSID functionality are provided under license from LizardTech, Inc. The MRSID software is protected by copyrights and intellectual property rights, and is a technological measure utilized for copy protection.

14. ADDITIONAL TERMS FOR MAPTITUDE FOR THE WEB LICENSE
   This modification to the Maptitude License Agreement permits the use of one copy of Caliper's Maptitude for the Web, Mapitude, and/or custom programs or add-ins created with the Caliper Software. Maptitude for the Web, Maptitude, and/or custom programs or add-ins created with the Caliper Software must be used in a manner that is consistent with the terms and conditions of this Agreement. Maptitude for the Web does not include the HERE Map Content and may make one (1) copy of the Software and the Data for each copy licensed, solely for backup purposes. Licensee must reproduce all intellectual property notices on each backup copy. In no event shall Maptitude for the Web be used to replace or restrict the use of the Data. Some versions of Maptitude include the HERE Map Content Data, whose use is restricted to desktop applications subject to the supplemental license terms included with the product (available at www.caliper.com/maptitude/here-license.htm). If not renewed annually the Maptitude for the Web license will terminate automatically and the software will cease to function. All other provisions of the Software license remain unchanged.
